AIM Online Research Class (\$1,150 Student Fee) :

- Includes the AIM Student curriculum and student self-paced activities.
- An experienced Science Coach Teacher leads the curriculum and provides live project assistance.
 - The student will complete the self-paced lessons and participate in live classroom activities to assist the student as they develop their research projects.
- Materials are provided online in Science Coach’s Canvas Learning Management System.
- The Science Coach Teacher provides:
 - Support on research topics
 - Research design assistance
 - Assistance with technical questions
 - Help formulating research questions, etc.
 - Classes meet live via Zoom on a weekday for 1.5 hours
 - Live classes review the online lesson outcomes and concepts and work to apply those concepts to the individual student’s research project.
- Students receive a grade at the end of the course based on achievement of the course objectives set out in the course syllabus.
- The Science Coach Teacher is responsible for managing the student's progress with support from the local adult in charge.

A non-refundable deposit of \$300 is due with this application. Check is made payable to *Science Coach Inc.*, or make your online payment [HERE](#). This is not a dual credit or enrollment class. No high school credit will be awarded. A certificate of completion and final grade will be awarded at the end of the course. Final payment is due before July 1, 2023. An invoice will be sent for the remaining amount due. Classes begin the week of Aug 14, 2023. **Mail the completed application and payment to: Science Coach, Inc., 4340 Duncan Avenue, Suite 100, St. Louis, MO 63110.**
