

Where Research Teachers Go to Learn

PROFESSIONAL SKILLS BUILDING FOR TEACHERS OF 6-12TH GRADE RESEARCH INSTRUCTION

Monday – Thursday
JUNE 22-25
University of Saint Mary
Leavenworth, KS

Conference Kick-off:
Mon., June 22 • 4 - 8 PM

Hands-on Sessions:
Tues. & Wed., June 23-24 • 8 AM - 5 PM

Networking & Skill-building Sessions:
Thurs., June 25 • 8 AM - 12 PM

The Science Coach Academy is a unique professional development and enhanced learning opportunity for research teachers. Attendees will hear the latest on key and emerging science and engineering topics, participate in hands-on demonstrations and experiments, and gain improved skills they can use to guide students as they develop their research projects for various competitions.

Additionally, attendees will get to network, swap ideas, and build community with fellow research teachers; "shop" for free science research materials and equipment for their classrooms at a large onsite supply store; and participate in fun indoor and outdoor team-building activities. There will also be a special awards and recognition program celebrating teacher milestones and accomplishments.

CONFERENCE PREVIEW

Sessions Will Cover Topics in the Following Fields:

- Agriculture
- Engineering
- Psychology
- Model Organisms
- Forensics
- Ecotoxicity
- Plant Biotechnology
- Data Science

Special Sessions Will Be Led By:

- American Academy of Forensics
- Citizen Science Training
- Engineering Tomorrow
- Donald Danforth Plant Science Center
- Missouri Botanical Garden
- Missouri Southern State University
- National Great Rivers Research Education Center
- Nourish the Future
- The Algae Foundation
- University of Kansas
- University of Missouri - Kansas City

Graduate credit hours are available for this conference.

SCIENCE COACH ACADEMY 2026

COST TO ATTEND

Conference: \$800
Meals and housing included in the conference price.

HOUSING

University of Saint Mary - Berkel Residence Hall
A private bedroom and 2-person shared bathroom in a 4-bedroom/2-bathroom suite with common living area is included in the conference price.
