2027

Where Research Teachers Go to Learn

PROFESSIONAL SKILLS BUILDING FOR TEACHERS OF 6-12TH GRADE RESEARCH INSTRUCTION

Monday – Thursday
June 14-17
University of Saint Mary
Leavenworth, KS

Sessions Start and Networking:

Mon., June 14 • 4 - 8 PM

Hands-on Sessions:

Tues. & Wed., June 15-16 • 8 AM - 5 PM

Skill-building Sessions:

Thurs., June 17 • 8 AM - 12 PM

The Science Coach Academy is a unique professional development and enhanced learning opportunity for research teachers. Attendees will hear the latest on key and emerging science and engineering topics, participate in hands-on demonstrations and experiments, and gain improved skills they can use to guide students as they develop their research projects for various competitions.

Additionally, attendees will get to network, swap ideas, and build community with fellow research teachers; "shop" for free science research materials and equipment for their classrooms at a large onsite supply store; and participate in fun indoor and outdoor team-building activities. There will also be a special awards and recognition program celebrating teacher milestones and accomplishments.

CONFERENCE PREVIEW

Visit the website to receive up-to-date information on conference topics, which may include.

- | | | | |
|---------------|-------------------|---------------|-----------------------|
| ■ Agriculture | ■ Psychology | ■ Forensics | ■ Plant Biotechnology |
| ■ Engineering | ■ Model Organisms | ■ Ecotoxicity | ■ Data Science |

In 2026, Special Sessions Were Led By:

- | | |
|--|---|
| ■ Bayer | ■ Missouri Botanical Garden |
| ■ Citizen Science Training | ■ Missouri Southern State University |
| ■ Dataclassroom | ■ National Great Rivers Research Education Center |
| ■ Engineering Tomorrow | ■ Stowers Institute |
| ■ Donald Danforth Plant Science Center | ■ The Algae Foundation |
| ■ Kansas Energy Program | ■ University of Kansas |
| | ■ University of St. Mary |

SCIENCE COACH ACADEMY 2027

COST TO ATTEND

Conference: \$850

Meals and housing included in the conference price.

HOUSING

**University of Saint Mary - Berkel Residence Hall
and Steele Residence Hall**

Go to the website for more information on room set up.

Since 2007, the Science Coach non-profit has been engaging 6th-12th grade students to experience completing a scientifically accurate research project that solves a problem important to them. We work through schools to intentionally upgrade the skills of research teachers, providing extensive professional development and a comprehensive support ecosystem that results in 89% of students choosing STEM careers.
